Please Note: Camp Cosmo is closed during the 9 days of deer firearm season in November.

Winter Season: Lodge camping only from October 1-April 30.
Registration opens August 1.

Camp Cosmopolitan “Cosmo” Grand Island

The Platte River runs along this 30-acre property, providing a tranquil setting in which to fish, wade and even canoe (when there is enough water). Cosmo is just outside of Grand Island and with easy access from the interstate, it's ideal for a getaway or to explore the great outdoors.

Tucker Lodge

is 1,600 square feet and great for meetings or gatherings. Accommodations include: updated kitchen with two stoves, microwave oven, refrigerator, commercial stainless steel sinks, eating and cooking utensils and cookware. Tables and chairs are also available.

Three Platform Tents

are offered for use during warm weather months. These canvas-covered tent structures are approximately three feet off the ground on wooden platforms and feature a small porch complete with a screen door.

Teambuilding Courses – Zip Line

High and low challenge courses help groups build confidence, teamwork and problem-solving skills, trust, coordination and appreciation of the natural world. We will provide a trained employee or volunteer when you schedule. The zip line is part of the high challenge course and there are age/height requirements. Both high and low courses are closed during winter.

Trails

Camp Cosmo has numerous groomed trails which are covered with wood chips and routed through some of the most beautiful, natural river vistas in Nebraska.

Environmental Education Workshops (EEWs)

These workshops are offered throughout the year and are age specific. Enjoy two hours of a guided, hands-on activity that will focus on the outdoors; geared for any age level.

Archery

Archery equipment is available for ages 10 and older. A certified archery instructor is required and can be provided for an additional charge.

Additional Features

- Covered picnic shelters are located throughout the camp property. Each shelter is complete with tables and is approximately 640 square feet in size.
- An in-ground storm shelter is located near the lodge and open at all times.
- A multi-person shower and restroom facility are available.
