Camp Crossed Arrows – Nickerson

High above the Elkhorn River Valley and close to Fremont, is where you will find the ever-scenic Camp Crossed Arrows (CCA). CCA has amazing ecosystems with dense woods, large, open meadows and hills that will satisfy all types of activities. This 157-acre camp, and its breathtaking views, is just right for your next gathering.

The Florence Schlesinger Troop House

is for year-round use and comfortably sleeps 30 in the loft. Accommodations include: mattresses, showers and restrooms, a large activity/dining area with craft supplies and games, a commercial kitchen with stove, refrigerator, microwave, standard household cooking equipment, eating utensils and dinnerware, fireplace, grill, tables, chairs and a large patio with picnic tables overlooking the Elkhorn Valley.

Covered Wagons

are available for camping when weather permits. Each of the two wagons sleeps eight. Adjacent to the wagons is a picnic shelter, fire ring and bathroom/storm shelter.

Turf Town

is a camp site nestled in the trees with six wooden cabins (no electricity) that each sleep five. Accommodations include: beds, mattresses, picnic tables and a fire ring.

Teambuilding Courses – Zip Line

High and low challenge courses help groups build confidence, teamwork and problem-solving skills, trust, coordination and appreciation of the natural world. We will provide a trained employee or volunteer when you schedule. The zip line is part of the high challenge course and there are age/height requirements. Both high and low courses are closed during winter.

Trails

Camp Crossed Arrows has numerous groomed trails which are covered with wood chips and routed through some of CCA's most beautiful, natural meadows and vistas in the state.

Environmental Education Workshops (EEWs)

These workshops are offered throughout the year and are age specific. Enjoy two hours of a guided, hands-on activity that will focus on the outdoors; geared for any age level.

Additional Features

- Covered picnic shelters throughout
- Shower house with multiple showers
- In-ground storm shelters, should inclement weather require
